CONFIDENTIAL SOURCE

[REDACTED] furnished the following information to SA [REDACTED] 12/29/58. This information was received by this source who has furnished reliable information in the past from a source whom he termed reliable, but whose identity he did not wish to disclose.

He indicated that JAMES MADOLE, leader of the National Renaissance Party had indicated recently that an individual named CARL WAYNE had been trying to develop MADOLE's friendship and had given his address as 230 Fifth Avenue.

MADOLE stated that he went to this address and was unable to locate WAYNE but did talk with a Jewish woman and arrived at the conclusion that this address is a Jewish organization mail drop.

MADOLE further indicated to this source that ROBERT KUTNER will take over the management of "The Truth Seeker" organization because CHARLES SMITH, its present leader, is getting on in years.

MADOLE stated that he believes the individual named BERGER who was the principal speaker at the December meeting of "The Truth Seeker" at Steinway Hall, was a "plant" by the Jews.

MADOLE indicated that SMITH had complained to him after this meeting indicating that the collection at the meeting was only about \$10.00.

The source stated that MADOLE recently displayed a book which he stated he obtained at the Soviet Consulate in New York City. This book concerned

CONFIDENTIAL SOURCE

[REDACTED] furnished the following information on 1/28/59, which he obtained from a source whom he termed reliable but whose identity he did not wish to disclose.

He stated that JAMES MADOLE had held a meeting of the National Renaissance Party at his apartment, 10 W. 90th Street, NYC, on 1/22/59. He stated that there were 14 people present, which was a larger group than usually attend these Thursday night meetings, and attributes this to the series of articles appearing in the "NY Daily News" which mentioned MADOLE and his connections with the Arab countries.

This source stated that it appeared that due to these articles, "agents" were being sent to visit MADOLE and obtaining information.

Several of the people in attendance were identified as JOSEPH RUDDEN, NICK COLOVOS, JOSEPH LETTL, LOUIS MOSTACCIO, who was previously a member of the NRP but has not attended meetings for several years, MARIE NAVA, who also attended NRP meetings 3 or 4 years ago but has not attended recently, and several young girls who appeared to be friends of MARIE NAVA. MADOLE indicated that there would be no further meetings of the "Racist Forum" at Steinway Hall inasmuch as CHARLES SMITH, the leader of this group, had been unable to obtain future meeting dates.

This source stated that MADOLE is currently distributing the November-December, 1958 National Renaissance Bulletin, which is anti-Negro and anti-Semitic in content. It consists of one article by MADOLE entitled "Why Does Modernist Christianity Oppose Racial Segregation?" He added

DATE: 2/5/59

SUBJECT: THE NATIONAL RENAISSANCE PARTY
RACIAL MATTERS

Rerep of SA 1/5/59 at NY.

On 1/16/59 CAL STEWART, an announcer for Radio Station WOWO, Fort Wayne, Indiana, telephoned the Fort Wayne RA and asked SA DUDLEY S. HORTH how to obtain a copy of the HCUA list of subversive organizations as his boss, C. W. VANDAGRIFFT, had received some inquiry concerning the National Renaissance Party, and the station desired to check to determine whether it was listed as a subversive organization.

Another anonymous caller asked about the same organization because of finding some of the group's propaganda in a library book.

On 1/16/59 JOSEPH LEVINE, Secretary of the Fort Wayne Jewish Federation, advised SA HORTH that REX POTTERF, City Librarian, had informed him that some readers had turned in mimeographed sheets with the following printed on them:

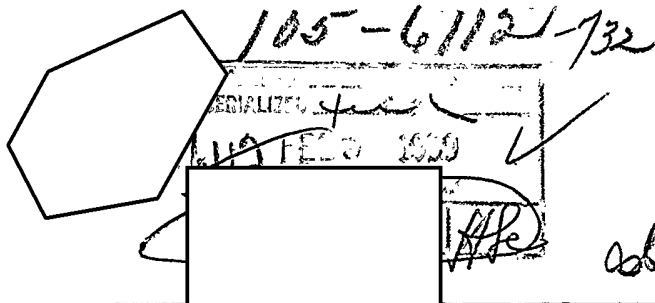

"Jews endanger our survival as a free people. Jews are financially and politically conquering the world. This is dangerous because the Jew always directs his efforts towards the destruction of the noble races offwhom this parasite lives.

"The dirty Jew dominated newspapers of our time and also the Jew bossed television entertainment, is continually filling us full of lies about racial equality and 'human brotherhood.' This will eventually lead to the mongrellization and bastardization of our people which caused the decline and fall of our nation, as it has caused the fall of all great nations which allowed their good blood to become polluted by interbreeding with inferior races.

"Study the Jewish problem and work to eliminate this evil. For more information write to: National Renaissance Party, 10 West 90th Street, New York 24, New York."

LEVINE said POTTERF had indicated he had alerted his staff in an effort to find out who had been leaving this material.

Later on 1/16/59 C. W. VANDAGRIFFT, mentioned above, telephoned to advise that the basis of his station's inquiry about the National Renaissance Party was a report from an individual who had found one of the mimeographed sheets described above in a library book, and telephoned the radio station to ask whether it desired to editorialize about this matter on the air. VANDAGRIFFT said he needed to have additional background information and indicated that he would write to Congressman E. ROSS ADAIR, representing the Fourth District of Indiana, for documents compiled by HCUA which would furnish the results of the committee's investigation of the National Renaissance Party and related organizations.

In the event the person who has been leaving mimeographed National Renaissance Party material in library books is identified, the New York Division will be advised.

DETAILS:

I. GENERAL ACTIVITIES OF THE
NATIONAL RENAISSANCE PARTY
(NRP)

On January 28, 1959, New York T-1 advised that JAMES MADOLE continues as the leader of the NRP maintaining headquarters at his residence, 10 West 90th Street, NYC. MADOLE is otherwise unemployed and resides with his mother.

New York T-1 further advised that nothing has come to his attention that would indicate in any way that MADOLE or the NRP had any connection with the bombings in the South nor has there been any information that the NRP has any organization outside NYC.

II. INDIVIDUALS CONNECTED WITH
THE NRP

On January 6, 1959, New York T-2 advised that JAMES MADOLE on that date had sent postcards inviting various individuals listed below to attend a social gathering at his residence, 10 West 90th Street, on January 8, 1959, at 7:30 PM. The individuals are as follows:

On July 15, 1953, New York T-1 had advised that KURT MERTIG was then a pro-German radical who had been active in German organizations for the past 15 years. MERTIG had been active in the NRP several years ago but illness had forced him to cease his activities.

New York T-1 stated that MERTIG had been sent to Rikers Island, NYC, for six months on 2/28/46, after being convicted for inciting to riot and unlawful assembly in connection with his pro-German, anti-Semitic activities.

On December 29, 1958, New York T-1 advised that JAMES MADOLE had recently indicated that an individual named CARL WAYNE had been trying to develop MADOLE's friendship and had given his address as 230 Fifth Avenue. MADOLE had stated that he went to this address and was unable to locate WAYNE but did talk with a Jewish woman and arrived at the conclusion that this address was a

Jewish organization mail drop. MADOLE further indicated that one ROBERT KUTNER will take over the management of the "Truthseeker", an athesist organization run by CHARLES SMITH. MADOLE stated that SMITH, its present leader is getting on in years. MADOLE further stated that he believes that an individual named BERGER who was the principal speaker at the "Daily Worker" meeting of the "Truthseeker" at Steinway Hall was a "plant" by the Jews.

III. STATED AIMS AND PURPOSES OF THE NRP

The November and December, 1958 issue of the "National Renaissance Bulletin" contains the following in its masthead: "Official Organ of the NRP Devoted to the Restoration of the American Republic, the preservation of American Sovereignty and the establishment of an American Regime based on the principles of racial nationalism and social justice".

IV. ACTION TAKEN TO IMPLEMENT THE PROGRAM OF THE NRP

A. Meetings

New York T-1 advised on January 13, 1959, that a meeting of the "Racist Forum" was held at Steinway Hall, New York City, on January 9, 1959. He stated that JAMES MADOLE was among those attending and MADOLE was one of the speakers. MADOLE in his speech made discourses against the Jews and later in the meeting passed out anti-Negro literature.

NY 105-6112

The "Racist Forum" is a meeting held by the "Truthseeker" which is an atheist organization run by CHARLES SMITH, according to New York T-1.

New York T-1 on January 7, 1959, advised that JAMES MADOLE had received a letter from LINCOLN ROCKWELL of Arlington, Virginia, who is associated with the National States Right Party (NSRP). This letter dated December 20, 1958, indicated that ROCKWELL was planning on holding a meeting sometime after Christmas and requested MADOLE to attend. ROCKWELL also indicated in this letter a desire for MADOLE to work with ROCKWELL's group against the Jews. MADOLE indicated that he had advised ROCKWELL that he did not desire to attend the meeting but would gladly distribute any literature that ROCKWELL furnished to him.

New York T-1 further stated that MADOLE had had indicated that he would not attend the meeting of the "Truthseeker" organization to be held at Steinway Hall on January 9, 1959. However, he gave no particular reason for not wanting to attend this meeting except that in the past he has stated that he did not get along with CHARLES SMITH, the leader of the "Truthseeker" Group.

It is noted that he did attend this meeting as is set out above.

B. Literature

As is set out above, New York T-1 on January 13, 1959, advised that JAMES MADOLE, while attending the meeting of the "Truthseeker" on January 9, 1959, had passed out anti-Negro literature.

NY 105-6112

New York T-1 on January 7, 1959 further advised that LINCOLN ROCKWELL, mentioned above, had furnished him with some literature including a booklet entitled, "White Man Fight" which was anti-Negro.

New York T-1 on December 29, 1958, gave the additional information that MADOLE recently displayed a book which he stated he obtained at the Russian UN Delegation in New York City. This book concerned information about good treatment which the Moslems get in the USSR. MADOLE stated that an Iraqi official had phoned the Russians and indicated it was all right for MADOLE to obtain any literature there that he wishes. MADOLE added that he has been going to the Russian UN Delegation for books and literature.

New York T-1 on January 23, 1959, furnished a copy of the "National Renaissance Bulletin" issue of November and December, 1958. This issue contains anti-religious, anti-Jewish and anti-Negro material.

NY 105-6112

He stated that CHARLES SMITH, leader of the "Truth Seeker" group, had lost his meeting place at Steinway Hall and at present would hold no more meetings. SMITH believes that his cooperation with JAMES MADOLE has cost him this meeting place and SMITH has been very upset by the recent articles in the "New York Daily News" concerning MADOLE and is anxious to forget his association with MADOLE. SMITH wrote an article for the "Truth Seeker" magazine entitled, "Jews Block Racist Forum" and stated that JAMES SHELDON leader of the Anti-Nazi League brought pressure to bear upon the owner of Steinway Hall to have his meetings banned because MADOLE had been a speaker at these meetings.

New York T-1, on January 28, 1959, advised that JAMES MADOLE had had a meeting of the NRP at his apartment, 10 West 90th Street, on January 22, 1959. B

b6
b7C

NY 105-6112

requesting their help in running off the National Renaissance Bulletin for MADOLE.

Informant stated that this was an anti-Jewish, anti-Negro article, with the last page soliciting subscriptions and contributions for the NRP, 10 West 90th Street, New York City.

Information concerning "Common Sense" is contained in the Appendix Section of this report.

New York T-1, on January 28, 1959, advised that MADOLE was then distributing the above-mentioned November - December, 1958, issue of the National Renaissance Bulletin.

"COMMON SENSE"

It is noted that "Common Sense", published by the Educational Association of Union, New Jersey, was characterized in a report issued on December 17, 1954, by the Committee on Un-American Activities, of the United States House of Representatives, as a "hate group" vehicle publishing "some of the most vitrollic hate propaganda, ever to come to the attention of the Committee. " According to the report, "Common Sense" debunks Communism as "Judaism" and devotes its pages almost exclusively to attacks on the Jewish, and to a lesser extent, the Negro, minorities in our nation. Sympathy for the former Nazi Regime in Germany is also injected into this propaganda.

DETAILS:

I. Information Concerning MADOLE's Residence, Employment, and Background

NY T-1 indicated on January 28, 1959, that JAMES MADOLE continues to reside at 10 West 90th Street with his mother, GRACE MADOLE, and continues to operate the NATIONAL RENAISSANCE PARTY (NRP) from this address, but is otherwise unemployed.

Special Agents of the Federal Bureau of Investigation observed JAMES H. MADOLE in the vicinity of his residence at 10 West 90th Street on February 10 through 13, 1959, and it was apparent from his activities that he is not regularly employed.

Mrs. YUKIKO ZOLBROD, Superintendent, 10 West 90th Street, advised Special Agent [redacted] on February 17, 1959, that JAMES MADOLE still resides in Apartment 8 at this address with his mother. She stated that MADOLE is usually in his apartment during the day and does not go to any regular employment although his mother appears to be regularly employed. She stated the subject and his mother usually keep to themselves and are not friendly with any other occupants of this building. She stated that she was unable to furnish any further information regarding MADOLE's activities or those of the NRP.

b6
b7C

II. Information Concerning MADOLE's Activities with Arab Countries

NY T-1 indicated on December 29, 1958, that JAMES MADOLE recently displayed a booklet which he stated he obtained at the Soviet Consulate in New York City. This booklet concerned information about the good treatment which the Muslims received in the Union of Soviet Socialist Republics. MADOLE stated that the Iraqi officials had telephoned the Russians and advised them it was all right for MADOLE to obtain any literature there which he wants. MADOLE added that he has been going to the Russian Consulate for booklets and literature.

NY 105-6129

NY T-1 advised on January 23, 1959, that MADOLE indicated recently that he has not received any new Arab literature in recent weeks.

NY T-1 indicated on January 28, 1959, that MADOLE indicated on January 28, 1959, that MADOLE held a meeting of the NRP in his apartment on January 22, 1959. He stated there were fourteen people present which was a larger group than usually attends these Thursday night meetings. He attributes this to the series of articles appearing recently in "The New York Daily News", which mentioned MADOLE and his connection with the Arab countries. This source stated that it appeared that due to these articles "agents" were being sent to visit MADOLE and obtain information. NY T-1 explained that these "agents" have been employed in the past by several Jewish organizations in New York City and by various newspapers to obtain information concerning activities of the NRP.

NY T-1 advised on February 13, 1959, that he has no recent information regarding contacts of MADOLE with official Arab establishments or any information that MADOLE's activities are being directed by any foreign government. He added that he has no current information that MADOLE or any other individuals are acting as agents of Arab diplomatic establishments in the distribution of "hate literature" and propaganda.

This informant stated that MADOLE operates the NRP to suit himself, trusts no one and apparently is being influenced by no one in connection with its operation. He stated that MADOLE confides in no member of the NRP and the only individual who has had any close association with MADOLE during the past years is [redacted]. He stated that [redacted] formerly accompanied MADOLE when he visited the various Arab establishments to obtain literature.

b6
b7c

NY 105-6129

NY T-2, who has knowledge of certain activities and individuals at the United Arab Republic Delegation to the United Nations, indicated on February 11, 1959, he had no information indicating that JAMES MADOLE is being ordered or directed by the United Arab Republic or any other foreign government or that the United Arab Republic is encouraging MADOLE's distribution of literature to accomplish its own ends.

NY T-3 advised on February 4, 1959, that [redacted]

[redacted] He stated he could furnish no information indicating that MADOLE is acting at the order, request or under the direction of any foreign government.

This source stated that ABDUL HASSAN, Attache, Information Officer, United Arab Republic Delegation to the United Nations, was recalled to the United Arab Republic in the summer of 1958, because of the furor caused by HASSAN denying on the television program "Nightbeat" that he had ever addressed a meeting of the NRP, and the subsequent showing on the program of a photograph of HASSAN addressing a meeting of the NRP. [redacted]

Sources stated that since HASSAN's association with MADOLE was again given publicity in "The New York Daily News" articles that HASSAN again faces the possibility of being recalled to the United Arab Republic. He stated that

NY 105-6129

the press office of the United Arab Republic Delegation to the United Nations does not handle the volume of literature that was handled in the past, since a decision was reportedly made that the distribution of literature was the proper function of the Arab Information Center, 20 East 56th Street, New York City.

NY T-8 advised on February 5, 1959, that so far as is known, MADOLE is not acting at the order, request or under the direction of the Iraqi Consulate or the Iraqi Government. This informant stated that so far as he knows, the Iraqi Government does not encourage MADOLE's distribution of literature and no information has come to his attention indicating that any other individuals are acting as agents of the Iraqi Consulate or the Iraqi Delegation to the United Nations in distributing any "hate literature" or propaganda.

This informant explained that MADOLE has written a number of articles concerning Zionism and the State of Israel, which articles he has voluntarily furnished to the Iraqi Consul General. In furnishing these articles, the informant stated that MADOLE has attempted to get the Iraqi Government to sponsor some of his research work, but the Iraqis have refused to do this inasmuch as they have no regard or respect for MADOLE. The informant stated that anything which is mailed or given to the Iraqi Consulate by the subject is accepted, but so far as is known, the subject has not been encouraged to furnish this material to the Iraqis. The informant recalled that in a few instances the Iraqis were interested in articles written by MADOLE and

NY 105-6129

[redacted] of the Anti-Defamation League (ADL) advised that there was no specific information in the files of the ADL indicating that JAMES MADOLE and/or the National Renaissance Party, are or have been distributing any literature at the direction of any foreign power.

[redacted] did state, however, that although the ADL has no proof, it would appear that the Egyptian Consulate in New York City is supplying information of an anti-Jewish nature, that is subsequently being incorporated in the National Renaissance Bulletin, which is in turn sold to the subscribers of this bulletin. [redacted] also stated that they (ADL) have received information that pamphlets put out by the Egyptians and undoubtedly given to the NRP free, are being stamped with the name and address of the NRP and are being sold to supporters of the latter organization.

[redacted] also advised that he has no specific information that MADOLE's or the NRP's activities were being directed by any foreign power. He stated, however, that the Iraqi government has written articles on Jewish life and that he believed MADOLE had attempted to negotiate with the Iraqi government in an effort to obtain copies of this material.

[redacted] advised that he had absolutely no information that MADOLE was receiving any money from the Egyptian, Iraqi or any other foreign governments in connection with the activity of the NRP. He stated, however, that there was no question, but that the Egyptians were furnishing MADOLE with literature put out by the Egyptians with the knowledge that MADOLE was disseminating this material to the latter's followers. [redacted] pointed out that he has no definite information as to who specifically MADOLE is dealing with at the Egyptian Consulate or the particular arrangement MADOLE has with the Egyptians in this connection.

[redacted] advised that his information concerning MADOLE's connection or arrangements with the Iraqi government are extremely limited and other than the information set out above he has no definite knowledge that MADOLE has or is using any Iraqi propaganda in his NRP publications.

As to the source of the material utilized by MADOLE in the latter's speeches and writings, [] advised that he has heard that MADOLE spends considerable time in the New York Public Library, where [] stated there is available source material that could be utilized by MADOLE. [] advised that the Public Library material and information supplied by the Egyptians and probably the Iraqi probably is the main source of information available to MADOLE in connection with his activities regarding the NRP. [] pointed out that MADOLE would no doubt also have access to other anti-Negro and anti-Jewish propaganda, published by racist groups throughout the country. Concerning the identities of any persons or organizations in the United States, other than foreign establishments that have or are supplying MADOLE with money or materials to carry on the work of the NRP, [] stated that he could not name a single person or organization that had assisted MADOLE money wise in the operations of the NRP. [] did state, however, that MADOLE has a mailing list of persons who subscribe to the NRP publication, which would be one source of revenue available to MADOLE in this connection. [] also stated that there well could be persons or organizations that assist MADOLE financially or otherwise, but that the identities of these persons are not known either to [] or the ADL.

As a matter of interest, [] volunteered that some months ago, an individual named [] had purchased a quantity of MADOLE's old literature, for which [] paid an unknown amount of money. [] stated that [] was described to him as "of Lebanese nationality and a shadowy figure". [] could not further identify []

In conclusion, [] stated that neither he nor the ADL had any documentary or other evidentiary data that would tend to show that MADOLE or the NRP was acting at the direction of, or on behalf of a foreign principal.

FEDERAL BUREAU OF INVESTIGATION
INTERVIEW REPORT

Date 2/20/59

FREDERICK WEISS, Mt. Hope Road, Middletown, New York, advised that he hasnot been in contact with MADOLE or the activities of the National Renaissance Party (NRP) for the past three years. WEISS stated that his reason for ceasing his connections with MADOLE and the NRP grew out of MADOLE's adamant attitude in connection with continued preaching of the abolition of the present form of elections in the United States and the parliamentary procedures in existence in connection with the government of the United States. At the outset of the interview WEISS stated that he did not have any documents or other evidence that would establish that MADOLE was acting on behalf of or at the direction of a foreign government in connection with the activities of the NRP. WEISS stated that all of the information that he had concerning the activities of MADOLE and the NRP were his "personal impressions" that he had gained through his association with MADOLE and other individuals connected with the NRP movement.

Concerning the source of MADOLE's materials in connection with the latter's published articles and street corner speeches, WEISS stated that MADOLE is an avid reader of any material dealing with the anti-Negro and anti-Jewish situation. WEISS was unable to specifically state any particular source that MADOLE had in this regard. WEISS volunteered, however, that prior to the time he ceased associating with MADOLE, he, WEISS, had furnished MADOLE with a substantial amount of material that he obtained from reading OSWALD SPENGLER's book "The Hour of Decision". WEISS stated that he has also supplied, on an infrequent basis, articles which he, WEISS, wrote on the question of "Brotherhood".

WEISS stated that MADOLE receives probably a sufficient amount of money through his operation of the NRP to maintain and continue on a limited basis, the operation of the NRP. WEISS stated that at the time that he was more closely associated with MADOLE, the latter had a mailing list of from one to two hundred names, most of whom were in the southern part of the country. The persons on this mailing list were furnished with a copy of the National Renaissance Bulletin, each month, which costs twenty-five cents a copy. WEISS stated that MADOLE also sold pamphlets and other materials which he obtained from Egyptian Consulate, New York City, to his subscribers also at twenty-five cents a copy.

WEISS stated that when he was associated with MADOLE, the latter had a contribution list of from two to five hundred individuals each of whom paid two dollars a year for membership in the NRP. He stated that although he had no proof of it, that on occasions persons would send in a larger donation than the two dollar yearly dues. WEISS stated that one of the individuals, with whom MADOLE was associated, was SANFORD GRIFFITH. WEISS explained that GRIFFITH had been in the employ of the Anti-Defamation League (ADL) for as long as he, WEISS, had known GRIFFITH. He places this period at about five or six years. WEISS stated that GRIFFITH has a home directly across from his summer place in Middletown, New York, and that he sees GRIFFITH on a more or less regular basis. He stated that it is his understanding that GRIFFITH is an employee of the ADL and is assigned to investigate anti-Jewish groups particularly in the New York area and to determine the activities of the United Arab Republic in so far as it might affect the Jewish population in the United States. WEISS stated that he is certain that GRIFFITH used MADOLE as a source of information and occasionally pays MADOLE five or ten dollars expense money for the information furnished by MADOLE. WEISS stated, however, that he is quite positive that the Anti-Defamation League does not know that GRIFFITH makes any payments to MADOLE for information.

Concerning GRIFFITH's activities, WEISS stated that one of the principal informants of GRIFFITH's in connection with Jewish and anti-Jewish matters is one [redacted] WEISS characterized [redacted] as an extremely shrewd individual, who is able to obtain a great deal of information, however, WEISS claimed that [redacted] is inclined to be [redacted] WEISS stated that in spite of [redacted] the latter is probably the best informed person available concerning the ramifications of the NRP outside of MADOLE himself. WEISS also volunteered that one CHARLES SMITH is employed by the American Jewish Committee, and his principal job is in connection with the investigation of anti-Jewish groups in the New York area.

b6
b7c

WEISS stated that SMITH's work for the American Jewish Committee parallels the operation of GRIFFITH in connection with his employment for the ADL and WEISS characterized them as "competitors".

NY 105-5129

WEISS stated that he was unable to identify one [redacted] as anyone he knew who had been connected with MADOLE or the NRP. WEISS stated that he has never been in the employ of the ADL and that he (WEISS) had never received any money from them or any foreign source in connection with any activities he engaged in with MADOLE, the NRP or any other similar organization.

b6
b7C

WEISS reiterated the fact that he has had no contact with MADOLE or the NRP in the past several years and stated he was unable to furnish the names of any other individuals other than those mentioned above, who might have any knowledge of MADOLE or the NRP's operation in connection with the distribution of anti-Jewish and anti-Negro literature.

NY 105-6129

NY T-1 indicated on February 11, 1959, that he recalled an individual named [redacted] who was in contact with MADOLE from December, 1956, until February, 1957, and was interested in MADOLE's Arab contacts. He stated this individual attended a meeting of the NRP on January 10, 1957, and indicated that he was a friend of [redacted] and a friend of [redacted]. [] advised that he had never had any connection with the National States Rights Party, although he had heard of it and had read articles concerning it in newspapers. He said that the Nationalist Party or Nationalist Youth League was an organization which he believed he had heard JAMES MADOLE mention, but concerning which he possessed no information.

[] stated that JAMES MADOLE is a New York City resident who is the head of the National Renaissance Party. He said that he had attended one meeting of the National Renaissance Party at MADOLE'S apartment, 10 West 90th Street, New York City, in the fall of 1958. [] advised that he considers MADOLE to be an intelligent, but fanatical anti-Semite who blames Jews for all of the world's ills. [] stated that he once heard MADOLE say that he, MADOLE, believed that the solution of the "Jewish problem" would be the "sterilization of all Jews." [] advised that he does not agree with MADOLE, but rather believes that if there is a "Jewish problem" the solution is to have the Jewish population absorbed by the "Gentile population." [] advised that he does not consider himself to be an anti-semite and said that he has great admiration for the abilities and talents of the Jewish people. [] said that he considers MADOLE to be a "nut" with whom he wants no further contact.

[] stated that in July, 1958, he and 11 other individuals, whom he declined to identify, travelled by bus

to Washington, D.C. He said that this group had been promised \$25.00 per day to participate in an "Anti-Communist Rally." [] said that upon arrival in Washington, D.C., the group went to a motel and went to bed. He said that this was a Friday night. On Saturday the group met two men, [] first name unknown, and LINCOLN ROCKWELL, and were presented with signs and posters with which they were instructed to picket the White House.

[] said that when he saw the wording of the signs he realized for the first time that the picketing was to be an anti-Semitic demonstration, which would blame the Jewish people for the existence of Communism in the United States, rather than an anti-Communist rally. [] stated that he told [] that he had been misled and would not participate in the demonstration. He said that [] then advised that anyone who did not participate would not be paid. [] said that he was then unemployed and badly in need of money. He said that for this reason he agreed to participate in the demonstration, although it was distasteful to him.

[] advised that the picketing lasted about one and one-half hours and that this was his only activity while in Washington, D.C. He stated that he received \$50.00 for the two days which he was there and that he returned to New York City on Sunday night. [] stated that if he had known the true nature of the demonstration before leaving New York he would not have gone to Washington in the first place.

[] stated that because he believed that the other individuals involved in the picketing were "duped" just as he was, he would not furnish the names of those individuals. [] stated that he did not want to implicate any other person.

NY 105-32651

[] advised that it appeared to him that LINCOLN ROCKWELL, at the instigation and with the final assistance of [] organized and prepared this demonstration. [] described ROCKWELL as an individual who, while he may be wrong, is honest and sincere in his beliefs. [] said that ROCKWELL is an anti-Semite but is not fanatical.

[] characterized [] as a wealthy anti-Semite who "wants to pay someone else to do his dirty work." [] said that he regretted ever having anything to do with [] as he considers him to be a disreputable person who cannot be trusted. [] advised that he had no information connecting either ROCKWELL or [] with the bombing of the Jewish Temple in Atlanta, Georgia.

[] stated that he could furnish no information regarding bombing of the Jewish Temple in Atlanta in October, 1958, and had no idea as to whom any logical suspects might be. He stated he could think of no one who would resort to such violence to further their particular aims.

b6
b7C

[] said that as he had previously indicated, he does not consider himself to be an anti-Semite. He stated, however, that he does hold considerable resentment and dislike for many Negroes whom he has known in New York City. He said that in recent years he has spent considerable time studying eugenics and anthropology. He said that based on his readings he has concluded that Negro people are intellectually inferior to white people and always will be. [] stated that he believes that the Negro population would be better off if they returned to their native habitat in Africa. He said that with the knowledge they have gained in the United States they would be able to greatly assist the development of the backward population in Africa. [] stated that the Negro people in New York City were particularly offensive to him as they are "know it alls."

NY 105-32651

[redacted] stated that he detests New York City and most New York City residents whom he considers to be selfish and without consideration for their fellow man. He said that he had lived for five years in Iowa and had learned to enjoy the spaciousness of the country there as well as the particular qualities of the people who live there. He said that he was leaving New York City for Iowa or for the South to obtain a new or better life. He stated that he hoped to obtain work as a carpenter or an automobile mechanic.

INTERVIEW REPORT

Date 2/20/59

CHARLES JOSEPH DOMMER, SR., advised that he is self-employed as a sign painter and permanently resides at 232 Jersey Street, Staten Island, New York, which premise he also uses for business purposes.

DOMMER stated that he is not familiar with the activities of the NATIONAL STATES RIGHTS PARTY (NSRP) and could furnish no information regarding it, having never heard of it.

DOMMER said that he was familiar with the NATIONALIST YOUTH LEAGUE (NYL), which he described as an organization formed three or four years ago in New York City but which is no longer in existence. DOMMER said that the NYO was organized by WEST HOOKER and it went out of existence when HOOKER went to Italy several years ago. He said that it has never been reactivated to the best of his knowledge.

DOMMER stated that he formerly resided in Yorkville and heard about the NYL there. He said that at the time it was his understanding that the NYL was an organization of anti-Communist youth. He said that he became interested in the NYL for this reason. DOMMER advised that he visited the office of the NYL in New York City, exact location not recalled, but believed to be in the mid 80's in Manhattan, because he wanted to be of some assistance to the young members of the NYL. He advised that after several contacts with these individuals, he realized that they were merely irresponsible youths and appeared to be interested only in causing trouble rather than engaging in any anti-Communist activities. DOMMER stated that he thereafter lost interest in the NYL and had no further contact with its members.

DOMMER advised that he knew the NATIONAL RENAISSANCE PARTY (NRP) to be an organization sponsored by JAMES MADOLE. He said that he did not think the NRP was much of an organization as MADOLE seemed to be about the only active member. DOMMER said that he had attended several NRP meetings at MADOLE's apartment, 10 West 90th Street, New York City. DOMMER advised that these meetings had been attended by about three to six individuals, including MADOLE, and that he believed most of those in attendance came to ascertain the nature of MADOLE's activities or from curiosity. He said that he believed that certain Jewish organizations in New York City are aware of MADOLE's activities and the NRP and that they consider him to be harmless.

DOMMER described MADOLE as a person who is violently opposed to Jews and as one who advocates complete elimination of the Jewish people. DOMMER stated that he does not believe MADOLE is capable of violence, however, despite his radical feeling with regard to the Jewish people. DOMMER advised that he, himself, deplores violence.

DOMMER said that he believes that the Jewish people, considering their very small numerical size, possess an excess of influence in world affairs and in the United States, particularly in the United States Government. DOMMER advised that he is not an atheist, that he attends church on Sunday and that he believes in the democratic processes inherent in the American system of government. DOMMER said that he feels that any action taken with regard to "the Jewish problem" should be taken in the American way and not through the use of force in any manner.

DOMMER stated that he could furnish no information regarding any foreign connections, affiliations or financial backing on the part of JAMES MADOLE and stated that he seriously doubted the existence of any such connection. DOMMER stated that because he disagrees with the extremely radical approach of MADOLE, he has avoided him and has in fact had no personal contact with him for about two or three years. DOMMER stated that he has seen MADOLE in recent months

NY 105-32652

at meetings at NOLA STUDIOS and Steinway Hall in New York City, but that he has not spoken to him. DOMMER said that he does not like MADOLE and MADOLE does not like him. DOMMER characterized the meetings, mentioned above, as open affairs at which eugenics and anthropology were the topics of discussion. He said that MADOLE sometimes made anti-Jewish remarks during these meetings.

DOMMER advised that he had heard that there had been a demonstration in Washington, D.C., in July of 1958, but he stated that he did not go to Washington at this time and that he did not participate in the demonstration. He said that he had been severely crippled by arthritis at that time and that he could not move about very easily. DOMMER said that he did not know who was in charge of the demonstration and stated that since he did not participate and had no first hand knowledge of the demonstration, he did not wish to discuss it further.

DOMMER advised that he had no knowledge relating to the bombing of the Jewish Temple in Atlanta, Georgia, on October 12, 1958, and that he knew of no one he would consider to be a possible suspect.

DOMMER stated that since his recent move to Staten Island, he has confined his interests to the development of his sign painting business and no longer visits New York City proper. He said that he has a severe case of arthritis which further limits his movements and accordingly his participation in any activity, political or otherwise, has been greatly curtailed.

On 4/25/58 [REDACTED] furnished a list of names with a caption "National Renaissance Party". The informant could furnish no other information concerning the significance of this list. Since it appeared that these individuals might have some connection with the NRP an investigation was conducted on each of them. A succinct resume of the pertinent portion of the investigations is set out below:

b2
b7D

CONRAD GRIEB NY file 105-32690

Investigation of this individual in 1958 and 1959 reflects that he reportedly in the early 1940's was pro-Nazi, anti-Semitic and anti-communist. [REDACTED] advised in November 1958 that he believed that Grieb to be a homo-sexual. No interview was conducted.

b2
b7D

ETHEL T. CROOKES NY file 105-19229

This person was never in a policy-making position in the NRP or held any position of influence in that organization. Because of her advanced age and apparent ill health, it did not appear that she could be active in the NRP and consequently no interview was conducted.

JOSEPH F. LETTL NY file 105-19731

Since 1943 Lettl has appeared in person at the NYO or has written letters to NYO on numerous occasions. Because of his non-specific complaints which were usually rambling and incoherent, his name has been carried in the "psycho" box at NYO.

HELEN O'LOCKLAND CROWE NY file 100-13144

Investigation in 1959 reflects that she is not employed and is on relief. She was dropped from relief roles in 1942 because of her "vicious letters" condemning this Country and Democracy. Her case was referred to a private agency with the hope of a city official that she would "ultimately be committed". Her previous school records show her as "rabidly anti-Semitic". She was not interviewed because of the above.

NY 105-6112

In addition to the above individuals contained on the list captioned "National Renaissance Party", CHARLES JOSEPH DOMMER, Sr, and FREDERICK WEISS, who have had some association with the NRP, were interviewed.

On 12/30/58, WEISS, when interviewed by SA John H. Sheahan, advised that he has no connection with any organization for the past couple of years and furnished no pertinent information about the NRP.

CHARLES DOMMER was interviewed on 2/12/59 at Staten Island, NY by SAS [redacted] and [redacted]. DOMMER advised that he knew the NRP to be an organization sponsored by JAMES MADOLE, but did not think the NRP was much of an organization as MADOLE seemed to be about the only active member. DOMMER said that he had attended several NRP meetings at MADOLE'S apartment, 10W. 90th St., NYC. He stated that these meetings had been attended by about three to six individuals, including MADOLE, and that he believed most of those in attendance came to ascertain the nature of MADOLE'S activity or came from curiosity. DOMMER described MADOLE as a person who is violently opposed to Jews and as one who advocates complete elimination of the Jewish people, but does not believe MADOLE is capable of violence despite his radical feeling with regard to the Jewish people.

Gentlemen:

I am enclosing for your information a circular which I received through the mail entirely unsolicited and without any knowledge of the sender. The material contained within this circular seems to me to be particularly hateful. I am at a loss to understand how such a group could obtain my name for their mailing list.

If you have any information about this organization I would be very interested in receiving it, or if you have any suggestion as to whether or not I should reply and in what vein, I would be grateful for your assistance.

Very truly yours,

() furnished the following information on 2/25/59, which he obtained from a source whom he termed reliable, but whose identity he did not wish to disclose. He stated that JAMES MADOLE, leader of the National Renaissance Party, is presently at work on his next bulletin. He stated that a portion of this bulletin would be devoted to reply to the "New York Daily News" articles recently appearing, by DAVID BURK. This source stated that MADOLE indicated that CHARLES SMITH is believed to be working with FRED WEISS and an investor for a Jewish organization. He also stated that SMITH is not presently looking for a new meeting hall, but will continue his articles in the "Truth Seeker" concerning the Jews and racism. MADOLE further indicated has no new literature at present, but has ordered several hundred more copies of his latest two bulletins, which will be mimeographed at the offices of "Common Sense". MADOLE further indicated to this source that on February 12, he had a meeting at his apartment which five persons attended.

This source furnished the following story on 2/28/59, which he had obtained from his source, through JAMES MADOLE. He stated that MADOLE indicated that a person unknown to him came to his apartment at 11 PM on February 27, and shortly after he entered MADOLE's apartment, he produced an automatic and stated "this is a holdup". MADOLE stated the stranger then proceeded to examine all of his files, literature and correspondence and remained there until 3 AM. MADOLE stated that this individual took his mailing list which greatly handicapped MADOLE in his mailing of the National Renaissance Bulletin. MADOLE added that he had never seen this individual before, but believed it could have been engineered by FRED WEISS and his co-workers, who are at work for a Jewish organization.

This source furnished the following information on 3/3/59:

He stated that JAMES MADOLE has prepared the next issue of the National Renaissance Bulletin, the title of which is "Who Are the Real Hate Mongers?". He said, however, the mimeographing of this bulletin will be delayed at least a week because of the inability of "Common Sense" to handle it at this time. The source stated the following are some excerpts from this bulletin; however, he requested that this information not be utilized until the bulletin actually has been printed and distributed. MADOLE indicated in the article that Jewish organizations are demanding a passage of legislation banning all publications which dare to oppose the activities of the Jew and he singles out Senator JACOB JAVITZ and Senator KENNETH KEATING, who he indicates "earn their living by wagging their tongues at Jewish fund raising dinners for the State of Israel". He stated that Jewish organizations are demanding that "anti-semitic" political organizations like the National Renaissance Party must be either outlawed or crippled by legislation which would bar their literature from going through the mail. MADOLE states that instead of demanding a study of the non-existent exchange between the National Renaissance Party and the Government of the UAR as recently claimed by DAVID BURK in the "New York Daily News" articles, he suggests a congressional study of methods by which a foreign state, the State of Israel solicits hundreds of millions of tax deductible dollars each year to build up her war machine in the Middle East. MADOLE concludes the article by stating "let us get after the real hate mongers" and stated the NRP is uncompromisingly dedicated to this task.

DETAILS:I. INFORMATION CONCERNING MADOLE'S RESIDENCE,
EMPLOYMENT AND BACKGROUND

NY T-1 indicated on March 17, 1959, that JAMES MADOLE continues to reside at 10 West 90th Street with his mother, GRACE MADOLE, and continues to operate the National Renaissance Party (NRP) from this address, however, he is otherwise unemployed.

[redacted] Bureau of Special Services, New York City Police Department, advised on February 28, 1959 that an unknown man entered the subject's apartment at 10 West 90th Street at 11 p.m. on February 27, 1959 and after engaging the subject in political discussion for several hours he displayed a pistol and stated he had come to kill the subject. [redacted] stated that this individual, upon learning that the subject's mother was also in the apartment, indicated he would not kill the subject, but instead tied up the subject and locked the subject's mother in the bathroom. He then took \$40 in cash as well as the mailing list of the NRP from the subject at gunpoint. [redacted] indicated that MADOLE had stated that he does not know the identity of his assailant or his motive in committing this robbery. He stated that the description of this unknown individual was as follows:

Age	25
Height	5'5"
Weight	140 pounds
Complexion	Dark
Hair	Dark, straight
Nationality	Appeared to be Italian or Latin nationality

[redacted] further advised on March 17, 1959 that an individual named [redacted] was shot by New York City Police on March 14, 1959 and seriously wounded while resisting arrest on a disorderly conduct charge.

NY 105-6129

[] stated that an official of the Anti-Defamation League had contacted the police and suggested that [] may have been the person who robbed MADOLE on February 28, 1959. [] stated that MADOLE was unable to furnish a positive identification from pictures of [] shown to him by the police. However, the police intend having MADOLE view [] in person when he is removed from the critical list at Bellevue Hospital.

II. INFORMATION CONCERNING MADOLE'S ACTIVITIES
WITH ARAB COUNTRIES

On February 24, 1959, [] Registration Section, Internal Security Division, Department of Justice, advised the files of that office contained no registration for the subject or the NRP as an agent for a foreign principle or as a propaganda agent for a foreign principal.

NY T-1 indicated on February 25, 1959 that JAMES MADOLE is presently at work on his next issue of the NR Bulletin. He stated a portion of this bulletin would be devoted to a reply of the "New York Daily News" articles by DAVID BURK which recently appeared. NY T-1 indicated that MADOLE had stated that he has no new Arab literature at present, but has ordered several hundred more copies of his latest two NR Bulletins which will be mimeographed at the offices of "Common Sense".

NY T-1 indicated on February 28, 1959 that MADOLE indicated that a person unknown to him came to his apartment at 11 p.m. on February 27, 1959 and shortly after he entered the apartment he produced an automatic pistol and stated "this is a holdup". MADOLE stated the stranger then proceeded to examine all of his files, literature and correspondence and remained there until about 3 a.m. MADOLE stated this individual had taken the mailing list of the NRP which would greatly handicap MADOLE in his mailing of the NR Bulletin. MADOLE added that he had never seen this individual before, but believed the robbery to have been engineered by FRED WEISS and his co-workers who are at work for a Jewish organization.

NY 105-6129

NY T-1 indicated on March 3, 1959 that MADOLE has prepared the next issue of the NR Bulletin, the title of which will be "Who Are the Real Hate Monger?" He stated, however, the mimeographing of this bulletin will be delayed at least a week because of the inability of "Common Sense" to handle it at this time. He stated that MADOLE in this article indicated that Jewish organizations are demanding a passage of legislation banning all publications which dare to oppose the activities of the Jews. He singles out Senator JAVITS and Senator KEATING who he indicates "earn their living by wagging their tongues at Jewish fund raising dinners for the State of Israel". He stated that Jewish organizations are demanding that "anti-Semitic" political organizations like the NRP must be either outlawed or crippled by legislation which would bar their literature from going through the mail. MADOLE states that instead of demanding a study of the known existent linkage between the NRP and the Government of the United Arab Republic (UAR) as recently claimed by DAVID BURK in the "New York Daily News" articles, he suggests a congressional study of methods by which a foreign state, the State of Israel, solicits hundreds of millions of tax deductible dollars each year to build up her war machine in the Middle East. MADOLE concludes the article by stating "let's get after the real hate mongers" and states the NRP is uncompromisingly dedicated to this task.

NY T-1 indicated on March 17, 1959 that MADOLE had received his copies of this bulletin dated January, 1959 from "Common Sense" where it was mimeographed, and is presently distributing this issue.

NY T-2 indicated on February 25, 1959 that he had never heard of JAMES MADOLE, but was almost certain that he was not acting at the order or request of the Arab Government, if he was issuing and distributing propaganda on behalf of the Arabs. This source explained that he makes this statement based on the fact that he has been closely associated with high-ranking Arab diplomats

NY 105-6129

in New York City for the past several years. During this association he has never heard them indicate that they were employing anyone to assist in the distribution of propaganda material. He pointed out that on the contrary, they are in most instances very anxious to avoid being associated with any groups in the United States with "shady reputations" for fear they might be accused of interfering in the internal activities of the United States. He stated that the Arab establishments will mail literature to any individual who writes them requesting such literature.

[redacted] was interviewed on February 25, 1959 by SAS [redacted] and [redacted] on another matter and he furnished the following concerning JAMES MADOLE:

He stated that he had been acquainted with MADOLE for several years and had attended several meetings of the NRP in MADOLE's apartment. He stated that to his knowledge MADOLE operates the NRP to suit himself and he knows of no one who is directing MADOLE's activities. He added that he knew of no connection between MADOLE and any foreign government.

[redacted] was interviewed on January 23, 1959 by SA [redacted] concerning another matter, and furnished the following concerning JAMES MADOLE:

He stated he had attended one meeting of the NRP at MADOLE's apartment, 10 West 90th Street, in the fall of 1958. [redacted] advised that he considers MADOLE to be an intelligent but fanatical anti-Semite who blames the Jews for all of the world's ills. [redacted] stated that he once heard MADOLE say that he believed that the solution of the "Jewish problem" would be the "sterilization of all Jews." [redacted] stated that he considers MADOLE to be a "nut" with whom he wants no further contact.

NY 105-6129

CHARLES JOSEPH DOMMER, Sr. was interviewed on February 12, 1959 by SAS [redacted] and [redacted] concerning another matter and furnished the following concerning JAMES MADOLE:

b6
b7C

DOMMER advised that he knew the NRP to be an organization sponsored by JAMES MADOLE. He said that he did not think the NRP was much of an organization as MADOLE seemed to be about the only active member. DOMMER said that he had attended several NRP meetings at MADOLE's apartment, 10 West 90th Street, New York City. DOMMER advised that these meetings had been attended by about three to six individuals, including MADOLE, and that he believed most of those in attendance came to ascertain the nature of MADOLE's activities or from curiosity. He said that he believed that certain Jewish organizations in New York City are aware of MADOLE's activities and the NRP and that they consider him to be harmless.

DOMMER described MADOLE as a person who is violently opposed to Jews and as one who advocates complete elimination of the Jewish people. DOMMER stated that he does not believe MADOLE is capable of violence, however, despite his radical feeling with regard to the Jewish people. DOMMER advised that he, himself, deplores violence.

DOMMER stated that he could furnish no information regarding any foreign connections, affiliations or financial backing on the part of JAMES MADOLE and stated that he seriously doubted the existence of any such connection. DOMMER stated that because he disagrees with the extremely radical approach of MADOLE, he has avoided him and has in fact had no personal contact with him for about two or three years. DOMMER stated that he has seen MADOLE in recent months at meetings at Nola Studios

NY 105-6129

and Steinway Hall in New York City, but that he has not spoken to him. DOMMER said that he does not like MADOLE and MADOLE does not like him. DOMMER characterized the meetings, mentioned above, as open affairs at which eugenics and anthropology were the topics of discussion. He said that MADOLE sometimes made anti-Jewish remarks during these meetings.

FEDERAL BUREAU OF INVESTIGATION

Interview Report

Date March 19, 1959

SANFORD GRIFFITH, 25 Greenwich Avenue, New York City, advised that he is an investigator for the Anti-Defamation League (ADL) of B'nai B'rith, New York City, and as such has been in contact with JAMES MADOLE for the past five years. He stated that he has seen MADOLE about once a month during this time and that MADOLE knows he is employed by the ADL, but nevertheless MADOLE furnishes him with literature of the National Renaissance Party (NRP) and information regarding activities of the NRP. GRIFFITH stated he has never paid MADOLE for this literature or information nor has he ever contributed any money to the NRP. GRIFFITH added he has never received information concerning MADOLE or the NRP from any other individuals except MADOLE and has never employed anyone to seek information concerning the NRP or MADOLE.

GRIFFITH stated he has no evidence indicating MADOLE is acting as an agent of a foreign principal and does not know whether MADOLE is being directed or encouraged by any foreign government in his distribution of Arab literature. GRIFFITH stated he does know that MADOLE has made the rounds of all of the Arab establishments in New York City for the past several years and has collected Arab literature which he stamps with the name of the NRP and distributes to his NRP following. He stated that MADOLE told him the Arabs (not specifically indicated by MADOLE which Arabs) had asked him not to stamp their literature with the name of the NRP, however, MADOLE had indicated that it was necessary for him to place the name of the Party on this literature in order to obtain publicity for the Party. GRIFFITH stated that MADOLE formerly had utilized [redacted] to aid him in picking up literature at the Arab establishments, but inasmuch as [redacted] is [redacted] and as a result had caused MADOLE to lose some of his contacts for literature in Arab establishments, that MADOLE no longer allows [redacted] to pick up literature.

GRIFFITH stated that no one else so far as he knows aids MADOLE in obtaining this literature and MADOLE operates in a very independent manner and takes orders from no one. GRIFFITH added that MADOLE told him he was unable to get large quantities of literature from the Arab Information Center at 120 East 56th Street, New York City, and although they did not encourage his obtaining and distributing this literature they did treat him cordially. MADOLE indicated to GRIFFITH he is able to obtain large quantities of literature from the United Arab Republic Information Office, 900 Park Avenue, and has several contacts there among the Syrians whom he formerly contacted at the Syrian Mission to the United Nations (UN) which was formerly located at 515 Park Avenue, who have been transferred to the United Arab Republic (UAR) Delegation. GRIFFITH stated that MADOLE formerly contacted [redacted] but now is in contact with [redacted] GRIFFITH stated MADOLE indicated he also had obtained literature from [redacted] and is presently distributing literature containing several speeches made before the UN by AHMAD SHUKAIRY, the permanent representative to the UN from Saudi Arabia. GRIFFITH added that he does not know who pays the mailing charges for the distribution of this Arab literature which MADOLE distributes, but he suspects that someone must pay for these expenses for MADOLE.

GRIFFITH indicated that MADOLE has also distributed Indonesian literature in the past and had tried to contact the South Africans, but was unable to obtain their cooperation. MADOLE also indicated to GRIFFITH that he receives close cooperation from the [redacted] and distributes literature he obtains there. His contacts at this office are [redacted] and [redacted] GRIFFITH further indicated that MADOLE and his NRP followers regularly attend meetings of the Arab Student Organization which are held in the vicinity of Columbia University.

GRIFFITH stated that he knows of no information or reports which MADOLE has furnished to any Arabs in the past,

NY 105-6129

but believes that MADOLE did tell him about some information he furnished to the Iraqi Consulate concerning several of their female employees, which resulted in their being dismissed. GRIFFITH was unable to recall the nature of this information.

GRIFFITH added that he believes the "New York Daily News" articles concerning MADOLE and his connection with the Arab countries were greatly exaggerated and stated he regards them as a "new low in inaccurate reporting". He stated he believes MADOLE has actively sought cooperation with the Arab countries in order to benefit the NRP, but has not been successful except in his being able to obtain some of their literature. GRIFFITH added that he believes the NRP at present is a very small group consisting mainly of MADOLE, which has no officers and is directed by no one except MADOLE.

FEDERAL BUREAU OF INVESTIGATION
INTERVIEW REPORT

Date 3/18/59

JAMES SHELDON, Research Director, Non-Sectarian Anti-Nazi League, New York City, indicated that he believes there has been a connection between JAMES MADOLE and officials of Arab countries in the past. However, he has no evidence that MADOLE is acting as an agent of any Arab establishment in the distribution of their literature or is acting at the order of any foreign government. He stated that he believes any cooperation which has existed between MADOLE and Arab countries has been more on MADOLE's part than by the Arabs. He stated that MADOLE has hoped to receive some financial aid from the Arabs but according to SHELDON, the only aid which he has received has been the receipt of free Arab literature which MADOLE has stamped with the name of the National Renaissance Party (NRP) and sold through the channels of the NRP.

SHELDON added that MADOLE for about the past 4 years has regularly visited various offices of Arab establishments and obtained large quantities of literature which is generally distributed free of charge to the public but not in such quantities as MADOLE has obtained. SHELDON said MADOLE's chief source of literature has been the United Arab Republic Information Office at 900 Park Avenue. However, since a change of personnel in 1958, MADOLE has found it more difficult to obtain literature at this establishment because some individuals there have been ordered not to furnish him with literature.

SHELDON stated that MADOLE is a dedicated fanatic and it would not be possible for anyone to direct his activities. However, MADOLE may have received advice from time to time from the Arabs on matters concerning articles MADOLE has written for the National Renaissance Bulletin. SHELDON stated that he does not believe any official Arab government encourages this cooperation with MADOLE because of the notoriety which MADOLE has received as being an extremely radical person.

SHELDON indicated that recently MADOLE has been obtaining information from various Arab establishments and other sources concerning United States companies which do business with Israel. In this regard MADOLE has attempted to contact officials of the Russian establishment in New York City, and hoped to obtain their cooperation in compiling a black list of companies which he hoped to compile in a book and sell for \$50.00 a book. SHELDON added that MADOLE also had considered obtaining subscribers to such a book among governments of the Middle East who would be interested in a complete list of firms doing business with Israel.

SHELDON stated that during the past several years he has utilized the services of [redacted] in obtaining information concerning MADOLE's activities and in obtaining literature of the NRP. He stated he has paid [redacted] about \$15.00 weekly on the basis of literature and information delivered to him. He said that [redacted] is unemployed at present and has never been able to hold a steady job because of [redacted]. He stated that on several occasions he had furnished money to [redacted] for a specific purpose in connection with attending a meeting for obtaining literature and [redacted].

had used the money for alcohol. SHELDON added that he has never furnished any money to [] or anyone else for the operation of the NRP. He added that [] is the only person at present whom he receives information from concerning MADOLE; however, in the past he has used [] and [] who were members of the NRP 5 or 6 years ago.

SHELDON stated that he does not believe anyone furnishes financial support to the operation of the NRP and that the small amount of money necessary to run this organization is obtained by the sale of literature and the National Renaissance Bulletin. SHELDON added that MADOLE receives all of his material support for board and room from his mother, GRACE MADOLE.

SHELDON concluded by stating that the only tangible evidence that he has concerning any connection or cooperation between MADOLE and any Arab establishments is the Arab literature which MADOLE has distributed in the past. SHELDON stated that all of this literature is stamped with the name of the NRP. However, he stated that he believes several of these stamps were made about 4 years ago by [] and that he knows that [] possesses one and that he himself has one of these stamps containing the name of the NRP.

SHELDON stated that he knows of no individual who would have any first hand knowledge of MADOLE's contact with officials of any Arab establishment or who would be able to furnish information indicating whether or not MADOLE is acting as an agent of any foreign government. He stated that he was not familiar with any individuals connected with MADOLE in the past by the name of [] or []

FEDERAL BUREAU OF INVESTIGATION

INTERVIEW REPORT

Date March 19, 1959

[] advised that he had been associated with JAMES MADOLE in the National Renaissance Party (NRP) since about 1953. He stated he held no official title in the Party, but was only a member and said there are no officers in the Party except MADOLE. [] stated that he has aided MADOLE during the past several years in contacting all of the Arab establishments in New York City in order to obtain literature which is anti-Zionist as is the NRP. He stated that MADOLE stamps this Arab literature with the name of the NRP and distributes it to the NRP followers. [] added that to his knowledge no one owns a stamp of the NRP except MADOLE. [] stated that at present he and MADOLE get a very small amount of literature from the Saudi Arabian Mission as they produce very little literature, however, they get large quantities from the United Arab Republic (UAR) office and some literature from the Iraqi Consulate.

[] stated that he and MADOLE had attended several social affairs at the Iraqi Consulate in the past, the last one being in December, 1958. [] stated he and MADOLE also attend meetings of the Arab Student Organization inasmuch as they are on the mailing list of this organization. [] stated that to his knowledge MADOLE is not acting as an agent for any foreign government and is not being directed or financed by anyone. He added that the NRP is supported by subscribers to the National Renaissance Bulletin which he estimated to be about 700, and by the sale of other NRP literature. He stated the NRP maintains a bank account at the Manufacturers Trust Company, 3rd Avenue and 85th Street, and believes there is a very little amount of money in this account.

[] stated that he never furnished any information to anyone concerning MADOLE's activities or those of the NRP, and had never received any money for any work which he had done in connection with the NRP. [] concluded by stating that he was unable to recall the exact times or instances when literature had been obtained or specifically who had authorized him to obtain this literature at the Arab establishments. He added, however, that both he and MADOLE are well known to the office personnel of the various Arab establishments and they are usually allowed to obtain any literature which is available at these offices.

COMMON SENSE

It is noted that "Common Sense" published by the Educational Association of Union, New Jersey, was characterized in a report issued on December 17, 1954, by the Committee on Un-American Activities of the United States House of Representatives as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee". According to the report, "Common Sense" depicts Communism as "Judaism", and devotes its pages almost exclusively to attacks on the Jewish, and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi regime in Germany is also injected into this propaganda.

NATIONAL RENAISSANCE PARTY

On April 21, 1958, a confidential source stated that the National Renaissance Party is an anti-Semitic, anti-Negro, neo-Fascist organization with activities generally confined to the New York City area. It was founded in 1949, by JAMES H. MADOLE who is in complete control of the party. The party's main function is distribution of the "National Renaissance Bulletin" on a monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The Un-American Activities Committee of the United States House of Representatives in a preliminary report, dated December 17, 1954, stated "National Renaissance Party activities and propaganda are clearly subversive and un-American."

SUBJECT:

JAMES H. MADOLE
INTERNAL SECURITY - UNITED ARAB REPUBLIC;
REGISTRATION ACT - UNITED ARAB REPUBLIC

JAMES H. MADOLE advised that in connection with material he has published for the National Renaissance Party (NRP), he has never been approached by any representative of any foreign government to act on their behalf. He also stated that no foreign government official has requested him to publish any material favoring a particular stand of a foreign government in any of his, MADOLE's, publications. MADOLE also advised that at no time has he ever received any money from any agency of any foreign government in connection with his associations with the NRP, or for any other reason. MADOLE further advised that at no time had he ever been approached by a representative of a foreign government with a solicitation that MADOLE publish material concerning a foreign government in any of his, MADOLE's, publications. MADOLE stated, however, that he has, on numerous occasions, published material in his publication, principally the "National Renaissance Bulletin" concerning matters in which a foreign government had an interest. Although MADOLE frankly stated he could not afford to be specific in this regard, that he did, from time to time, publish in his "National Renaissance Bulletin" economic and political material affecting countries other than the United States. He stated that if the material in question was pertinent to a particular problem in a foreign country, he would supply this particular foreign government, either in the United States or abroad, with copies of his material dealing with this particular problem.

When questioned concerning whether the bulk of his material was concerned with the so-called Middle East countries, MADOLE stated that he did not want to answer that question directly, and replied that the information might concern any country in the world. MADOLE indicated that he

EAD:vml

NY 105-61291

would not specify any particular foreign representative or foreign government which he had furnished literature to, inasmuch as he did not want to divulge his contacts in this regard.

WADOLE was questioned whether he had ever received any correspondence from his furnishing copies of his "National Renaissance Bulletin" to representatives of foreign governments. WADOLE stated that he had never received any copies from any government to whom he had sent his material in which that government had commented on the content of his material. WADOLE stated that not only had he not received any acknowledgements in coming this material, but that he had not received any remuneration for having directed this material to these foreign governments.

WADOLE stated that during the past several years he had obtained quantities of literature published by foreign governments which he had stamped with the name of his party, the NRP, and had distributed to members of this party. He stated he had never sold any of this literature, and indicated that it would not be profitable to attempt to sell this type of literature. WADOLE indicated that this literature was obtained from many different foreign countries and was by no means restricted to Arab countries, although it was primarily concerned with countries which have a strong nationalistic tendency. WADOLE again stated that he would not specifically indicate which countries he had obtained literature from, or any specific foreign representative who had furnished him with such literature. He explained generally this literature dealt with the same aims and objectives which the NRP supports.

Concerning the NRP, WADOLE stated that he had never made public the number of its members, and would not do so at this time; however, he indicated that several weeks ago, when he was robbed, that over 5,000 names were taken from his files, and this did not include all of the names which he maintained. He stated, however, that he did not necessarily

NY 105-61291

mail the bulletin or other literature to everyone, on his mailing list, inasmuch as the cost would be prohibitive. MADOLE would not indicate the number of persons whom he did mail literature, or the number of copies of the "National Renaissance Bulletin", which are produced each month. He added that he knows that his literature has been received in all states of the United States, and in many foreign countries. MADOLE explained that finances for the party are obtained from contributions and from the sale of the "National Renaissance Bulletin", and other party literature. He stated that he is the only person who is authorized in the NRP to print literature, and to his knowledge, no other individual has ever used the stamp of the NRP on any literature. He indicated he knows of no person in the NRP who has been solicited by a foreign government to perform any service. MADOLE identified an individual named [redacted] as a follower of the NRP by the name of [redacted] who resides at [redacted] but indicated that he was not more active than any other NRP member, and had never been in contact with any foreign government in behalf of the NRP, so far as MADOLE knows.

MADOLE stated that he does not know any individual by the name of [redacted] and stated no one by this name has ever been associated with him.

MADOLE said that it was his opinion that the reason the "New York Daily News" article concerning him, which had been written by DAVID EMM, was instigated and probably written by the Anti-Defamation League of B'nai B'rith, in New York City, in an effort to embarrass the United Arab Republic Government at a time when it was seeking a re-approchement with the United States Government. He based this observation on the fact that the November, 1958, Anti-Defamation League Bulletin contained information and pictures identifiable to that which later appeared in the "Daily News" article. He cited an example of this information contained in the November, 1958, Anti-

Dear Sirs: 412

Sometime ago I received the enclosed literature. After a cursory reading of it, I felt that you should be apprised of it, if you are not already^{as} aware.

The material as you shall see enlogized white supremacy and attacks a religious minority — hardly admirable principles in our democratic society. Such literature can only divide our country by setting up and inciting race and religious hatred — and should be denied the use of our mail

system

I am puzzled about how they obtained my name or why of the millions in New York I was selected as a target for their scurrilous garbage, and can only guess that being an attorney I get all sorts of mail .

If I can be of any help in this matter, I am at your service.

The deadline for this project is May 11, 1959.

Pursuant to instructions set forth in Part II, Section 4, pages 21-23 of the Manual of Rules and Regulations, the NYO must submit annually by June 1, certain information concerning the characterization of organizations.

The above captioned organization is among those organizations on which a characterization has previously been submitted and should be brought up-to-date, or one on which a characterization should be submitted.

SA [REDACTED] is assigned to review the existing thumbnail sketch on captioned organization to determine if the sketch is current or to review the case file and prepare an original sketch where none exists.

All sketches should be rewritten to reflect current status of the organization and should be clear and concise. They should reflect date organization formed; its aims and purposes; subversive initiation, domination, or control; and current status. Information in the sketch should be attributed to "a confidential source" and no T symbols nor evaluation of the sources should be reflected in the sketch. The identity and evaluation of the sources used should be reflected at the end of the sketch with sufficient spacing to indicate it is not part of the sketch. Characterizations of organizations will fall in one of the following categories:

- (A) Organizations which have become defunct since June 1, 1958
- (B) Newly formed organizations which are pending and concerning which insufficient information exists as yet to prepare a thumbnail sketch.
- (C) All active organizations on which sketches are being submitted for approval.

If the case you are reviewing for this project falls in either of the first two categories, merely submit a memorandum for file with a copy for the thumbnail sketch file (100-90311) reflecting Bureau file and date sketch submitted to Bureau reflecting organization is defunct. If the organization is newly formed submit a memorandum reflecting Bureau file and a statement reflecting information set out in category B. This memorandum should be forwarded to Desk #41 or SA SABINO P. CARONE.

If the organization falls within item C then prepare an up-to-date sketch except in those cases where a current sketch has been submitted since April 1, 1959. In the latter case merely submit a memorandum, as above, reflecting date sketch submitted and Bureau file number.

Letters submitting sketches to the Bureau should be undated and prepared as follows:

In this article MADOLE places the blame for the economic and political collapse of the US on the Jews whom he states started its campaign in 1913 for the economic and political conquest of the US. "The three destructive forces (Anti-Defamation League of B'nai Brith; Federal Reserve Banking Act; and Federal Income Tax) unleashed in 1913 by World Jewry have brought America to the brink of economic catastrophe in 1959".

In each issue MADOLE requests the readers of the "National Renaissance Bulletin" for financial contributions to spread his and similar literature throughout the world.

NATIONAL RENAISSANCE PARTY
SUBVERSIVE ORGANIZATION CHARACTERIZATION
IS-X

On 4/21/58, a confidential source stated that the National Renaissance Party is an anti-Semitic, anti-Negro, neo-Fascist organization with activities generally confined to the NYC area. It was founded in 1949 by JAMES H. MADOLE, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in NYC.

The Un-American Activities Committee of the United States House of Representatives in a preliminary report dated 12/17/54, stated, "National Renaissance Party activities and propaganda are clearly subversive and un-American."

The confidential source mentioned above is [redacted] who has furnished reliable information in the past, and who obtained his information from a source he termed reliable, but whose identity he did not wish to disclose.

SAC, NEW YORK (105-6112)

NATIONAL RENAISSANCE PARTY
IS - X

Re SAC letter 59-48 dated 8/4/59.

Section E of referenced SAC letter advised that thumbnail sketches concerning Klan-type organizations, hate organizations, individuals and publications involved in these investigations should be resubmitted carrying the caption "Characterization of Klan-type and Hate Organizations, Racial Matters".

Subject organization is the only organization operating in the NY area that might possibly fall under the categories set forth in the above paragraph.

However, as pointed out in the Administrative Section of report of SA [redacted] dated 3/5/59 at NY, and captioned "National Renaissance Party; Racial Matters", captioned organization does not fall under the standards set up for investigation of Klan-type organizations, hate organizations and associated individuals, as set forth in Section 122 in the Manual of Instructions.

By letter dated 3/25/59, entitled "National Renaissance Party, Racial Matters; IS - X", the Bureau instructed NYO to delete from the character of future reports the caption "Racial Matters" because of the reasons set forth in report of SA [redacted] referred to above.

It is noted that all correspondence since that date, concerning captioned organization, has carried the character "Internal Security - X".

Consequently, NYO will make no changes in the thumbnail sketch which was submitted to the Bureau by letter dated 5/27/59, UACB.
